Common Strategic Policy – Invitation to Public Hearing

Dear Chief Minister,

The Committee has discussed the approach of Scrutiny to the recently lodged Common Strategic Policy (CSP). Mindful of the timeframe and strategic nature of the CSP, the Committee would like to invite you, together with your Assistant Ministers and the Deputy Chief Minister, to a public hearing with the Scrutiny Liaison Committee as an efficient and effective means by which matters highlighted across all Panel remits can be discussed with you. Noting that the CSP is due to be debated on 21st May 2024, could you confirm to us your availability for a public hearing on Friday 3rd May.

I look forward to hearing from you. Please note that all letters will be uploaded to the States Greffe website as a matter of course.

Yours sincerely,

Deputy Inna Gardiner
President, Scrutiny Liaison Committee
