Dear Chair,

Scrutiny Review: Lifelong Learning

We thank you for your letter of 14th April seeking clarification on our response to this review which was published on 27th March.

Unfortunately, and despite best efforts, there has not been sufficient time to fully consider the wide-ranging areas of clarification sought.

I am confident the incoming Ministers, with sufficient time, will positively engage with the incoming Panel should they wish to discuss this further.

Yours sincerely,
