

Deputy H Miles  
Chair, Corporate Services Panel

11<sup>th</sup> March 2025

Dear Deputy Miles

**Corporate Services Panel – Quarterly Public Hearing  
Friday 7<sup>th</sup> March 2025**

I write in response to a query from Deputy Stephenson during the Corporate Services Panel public hearing on Friday 7 March regarding news releases and reports on the Government website. In line with a reduction in the number of media releases being issued, Deputy Stephenson queried whether the public would still be able to hear about a government report from a radio news bulletin, for example, and then be able to go on the Government website to find the news item with a link to the report should they need to.

I am pleased to confirm that media releases and notes to media concerning reports are published on gov.je in the newsroom section and include links to plans, publications, forms, web links, and Q&A documents, where relevant. Below are examples from the beginning of this year:

- 20.2.2025: [Acute Hospital Planning determination](#)
- 13.2.2025: [Government's first Collision and Casualty Reduction Plan published](#)
- 13.2.2025: [House price report for the fourth quarter 2024](#)
- 12.2.2025: [Application window for Connect Me grant scheme opens soon](#)
- 11.2.2025: [Revision to Planning guidance](#)
- 5.2.2025: [Director of Public Health Report](#)
- 29.1.2025: [Update on the Water Quality Safety Programme and PFAS developments](#)
- 29.1.2025: [Launch of the Ramsar management plans](#)
- 29.1.2025: [December 2024 Retail Prices Index published](#)
- 16.1.2025: [Government of Jersey publishes data on the nature and scale of homelessness in Jersey](#)

Yours sincerely
