Dear Minister

## **Corporate Services Scrutiny Panel**

### **Review of the Memoranda of Understanding for States Owned Entities - Follow Up**

Thank you for your letter dated 21<sup>st</sup> February 2025. The Panel discussed your response at its meeting on 11<sup>th</sup> March 2025 and agreed to follow up in relation to the Government's review of the Memoranda of Understanding (MoUs) for all States Owned Entities (SOEs).

The Panel is grateful for the request for comments in relation to any suggested changes to the current MoUs. However, the Panel refers to their previous letter dated 14<sup>th</sup> February 2025 and maintains the request to be engaged during the revision process.

The Panel would appreciate the opportunity to have sight of the draft revisions, in confidence, in order to consider and provide feedback prior to them being finalised. It is hoped that any feedback from the Panel could then be considered ahead of finalisation.

It is the Panel's view that being able to consider and provide feedback at an earlier stage would provide independent oversight and deliver the most benefit. The Panel also wishes to remind your Department that in previous years Scrutiny has been engaged on the development and revision of the MoUs and that engagement was positively received on those occasions.

The Panel would appreciate to receive a formal written response by no later than **Wednesday 19<sup>th</sup> March 2025**. Please be aware that it is the Panel's intention to publish the response it receives on the States Assembly website.

Yours Sincerely

Deputy Helen Miles
