**Island Regeneration Plan**

During our recent Quarterly Public Hearing with the Minister for Treasury and Resources on 11<sup>th</sup> April, the Panel was informed that the 'Project Breakwater' workstream had evolved into a different project entitled the 'Island Regeneration Plan', managed through the Regeneration Steering Group and led by yourself as Chief Minister.

The Panel was also informed that the funding elements of the Island Regeneration Plan included the recent proposals for the regeneration of Fort Regent, and that there "*may be a Terms of Reference*" in place between the Government and the States of Jersey Development Company regarding the Fort Regent workstream. The Panel would be grateful if you could provide it with a copy of the Terms of Reference for the Island Regeneration Plan, if available.

Furthermore, the Panel requests to receive a briefing on the Island Regeneration Plan and our Officers will liaise with yours to schedule this as appropriate.

The Panel would appreciate a formal written response detailing this information by no later than **Wednesday 23<sup>rd</sup> April 2025**. Please be aware that it is the Panel's intention to publish the response it receives on the States Assembly website. However, should the information provided be confidential, please can you inform the Panel accordingly and the response will not be published.
