Dear Minister,

Sport Provision

The Panel is writing to you in your position as Minister for Infrastructure with consideration of sport infrastructure, as well as Assistant Minister for Sustainable Economic Development with responsibility for sports policy, the promotion of sports and sports development.

Firstly, the Panel would be grateful if you could provide an update on the relocation of sporting clubs from Fort Regent. It would be beneficial for us to receive a list of the clubs that have moved from that facility, where they are now located and if any have not been able to continue operating.

Given the rich history and value of sport in the Island, the Panel wishes to hold a public hearing with you to discuss the provision of sports, sporting infrastructure and progress in promoting sporting success. We would be thankful for your attendance and our officer will liaise in due course to organise.

We would be grateful if you could respond no later than Friday 2nd May 2025 in line with the 5 working days approved for responses between Scrutiny Panels and Ministers.

If you have any questions regarding this or our work in general, please do not hesitate to contact me. Please note that unless otherwise stated, all letters will be uploaded to the Scrutiny website as a matter of course.

Yours sincerely,

Deputy Montfort Tadier
Chair
Economic and International Affairs Scrutiny Panel
