Dear Chair,

27 March 2025

**Re: Environment, Housing, and Infrastructure Panel Draft Residential Tenancy (Jersey) Amendment Law 202- Review**

Thank you for your letter dated 21 March, outlining your intended review period for my proposed amendments to the Residential Tenancy (Jersey) Law (2011).

I thank the Panel for recognising the significance of this legislation and am happy to agree to a review period of 12 weeks, plus an additional 2 weeks for fact checking and presentation to the Assembly. I will arrange for my proposition to be deferred accordingly so that the debate is scheduled for 8<sup>th</sup> July 2025.

I look forward to the Panel's review and our continued engagement on this important subject.

Kind regards,

**Deputy Sam Mézec**  
**Minister for Housing**
