Dear Chair,

**Re: Environment, Housing, and Infrastructure Panel Draft Residential Tenancy (Jersey)
Amendment Law 202- Review**

Thank you for your letter dated 25 April, requesting a further deferral to the debate of the amendment law to 9 September.

Although I am committed to doing what I reasonably can to support the Panel in conducting a thorough examination of the amendment, there are significant implications to such a delay that I will need to carefully assess before reaching a decision.

I will write back to you by the end of the week.

Yours sincerely,

Deputy Sam Mézec
Minister for Housing
