Draft Food (Jersey) Regulations 202- Survey Publication

Dear Minister,

Following our letter dated 5th January 2026, the Environment, Housing & Infrastructure Panel have agreed to publish a survey on the *Draft Food (Jersey) Regulations 202- (P.113/2025)* (the 'draft Regulations') targeted at food businesses. This survey is intended to gather information on the introduction of food product labelling and the proposed food business licensing scheme and shall be live until 30th January 2026.

The Panel still intends to proceed with the scheduled States Assembly debate on the principles of the draft Regulations on 3rd February 2026 and, subject to the Assembly approving the Regulations in principle, will call in the draft Regulations for further scrutiny on those identified areas.

The Panel will continue to provide further updates as the work progresses.

Yours sincerely,

Deputy Hilary Jeune
Chair, Environment, Housing and Infrastructure Panel
