3. Working Practices

The Panel noted the working practices for Scrutiny Panels in accordance with the [CoP for Scrutiny Proceedings and Engagement with the Executive](#) as well as the role of the Committee and Panel Officer.

The Panel agreed that the default would be for all its scheduled Panel meetings, any public meetings (public hearings) and private meetings (briefings) to be held in person. However, the Panel noted its support for a flexible approach, with provision for hybrid meetings and the ability for participants to attend remotely via Microsoft Teams when necessary.

The Panel noted and agreed that its meetings and briefings would be transcribed via Microsoft Teams and that the transcription would be available to the Panel and Officers in accordance with the States Greffe's data retention policy. The Chair agreed to raise any concerns relating to the transcription process for consideration by the Scrutiny Liaison Committee (SLC).

The Panel noted that certain documentation would also be shared in confidence in that way, including Ministerial Decisions and Council of Ministers Papers where relevant, and in such circumstances confidential information should not be shared outside of the Panel.

The Panel agreed that by default documentation would not be printed unless specifically requested and that the Panel would be mindful when requesting for documentation to be printed in order to align with the environmental best practice.

It was noted that ordinarily Scrutiny Panels would hold public hearings for evidence gathering sessions about the work programmes of their respective Ministers and Assistant Ministers on a quarterly basis, which would be webcast live and transcribed.

It was agreed that a draft question plan would be circulated for comment and approval virtually via Microsoft Teams or discussed at a scheduled Panel meeting (depending on the Panel's meeting schedule and timings) to provide sufficient time for the Panel to review, amend and approve the question plan ahead of any hearing. It was agreed that the Panel would meet ahead of any hearing to undertake the necessary preparations including to allocate questions to Members and discuss the finalised question plan.
