Dear Deputy Gardiner,

Thank you for your letter, received on 6th August 2025, in respect of your review of Arm's Length Bodies, Grants and Subsidies.

As your review relates to Grants and Subsidies received by ALB's, we expect that Andium Homes, which does not receive any such grants or subsidies, will be outside the scope of the review.

If it is helpful, I have included here links to each of our Annual Reports for the past 5 years, which will provide information on Andium Homes, our purpose, performance, KPI's and audited annual accounts.
