Dear Deputy Gardiner

Arm's Length Bodies, Grants and Subsidies Review

I write further to your letter to JT in relation to the review of Arm's Length Bodies, Grants and Subsidies.

JT does not receive any grants or subsidies from the Government of Jersey and, on that basis, I would expect JT to fall outside the scope of this review. We do however publish much of the information you have requested in our externally audited Annual Report and Accounts, full details of which are published online at [About us - JT Global](#). For convenience, I attach a copy of reports for the last 5 years.

In the event that you require anything further, please do not hesitate to get in touch.

Yours sincerely
